Alma Mater

Our praises high,
We love to sing
My Canton High,
My Canton High.
Our homage now
To thee we bring
My Canton High,
My Canton High.
With friendship,
Loyalty, and cheer
We serve our high school
Far and near
So fight as in
Those days of yore
My Canton High,
My Canton High.
C.H.S.!!

Fight Song

Here they come, down the field
Fighting Eagles from Canton High.
They are brave, they are bold
Fighting hard to win
and meet their goals.
So beware of the green
for they are the winning team.
They will fight, tonight
With all their might
So beware of the mighty green.

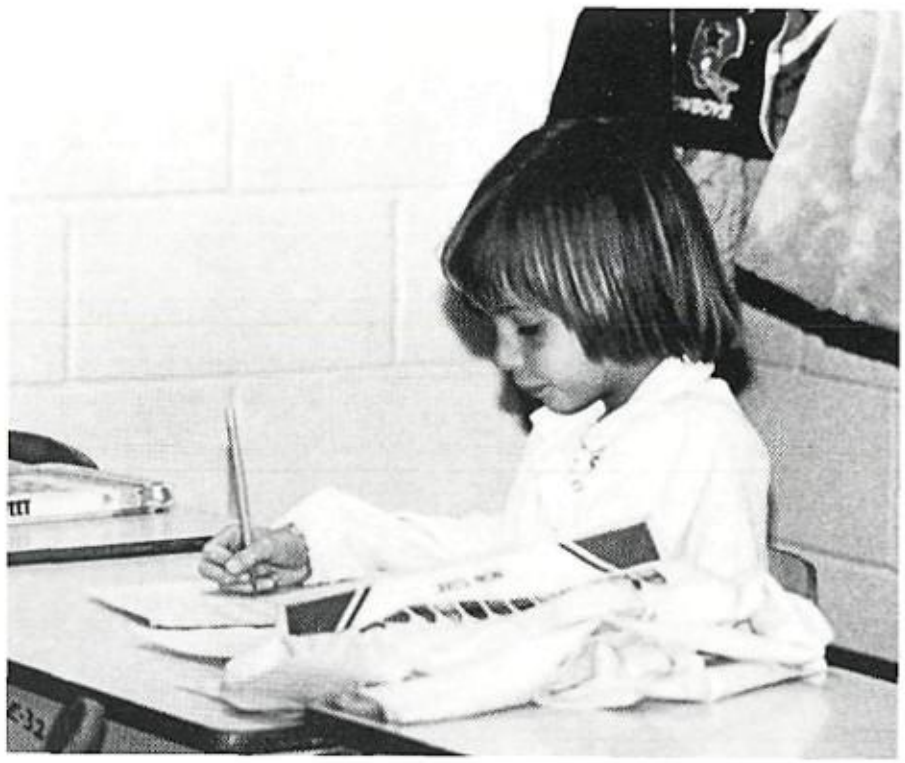
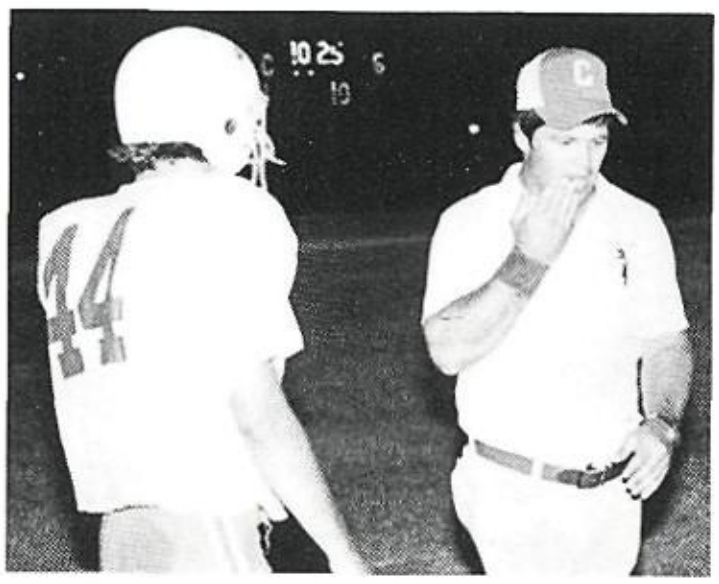
Take Time!
Take time to see the beauty in the face of a newborn babe, to share the laughter of a child, to notice the serenity of a senior citizen who has lived a life of faithfulness to the Lord. Life is demanding today, but take time to enjoy a sunrise and sunset, to walk a rural woodland, to explore a flower, to observe the tree world, or to relax a few moments with your pet dog. Let go of your busy schedule long enough to share the splendor of a clean, bubbling stream of water, to scan a rich blue sky, to behold the colored leaves and winding rural trails. These bring moments of realization and happiness and don't cost a penny! They are all gifts from our heavenly Father!
TRACY

TAKE TIME TO THINK . . . It
is the source of power.





TAKE TIME TO WORK . . . It
is the price of success.

Eagle 1981
Foreward

We, the 1980-81 Canton Eagle Yearbook Staff, have spent a great deal of time and effort in putting together a book which covers all aspects of school life in Canton. We hope you "take time" to enjoy this book, and may it bring back precious memories.

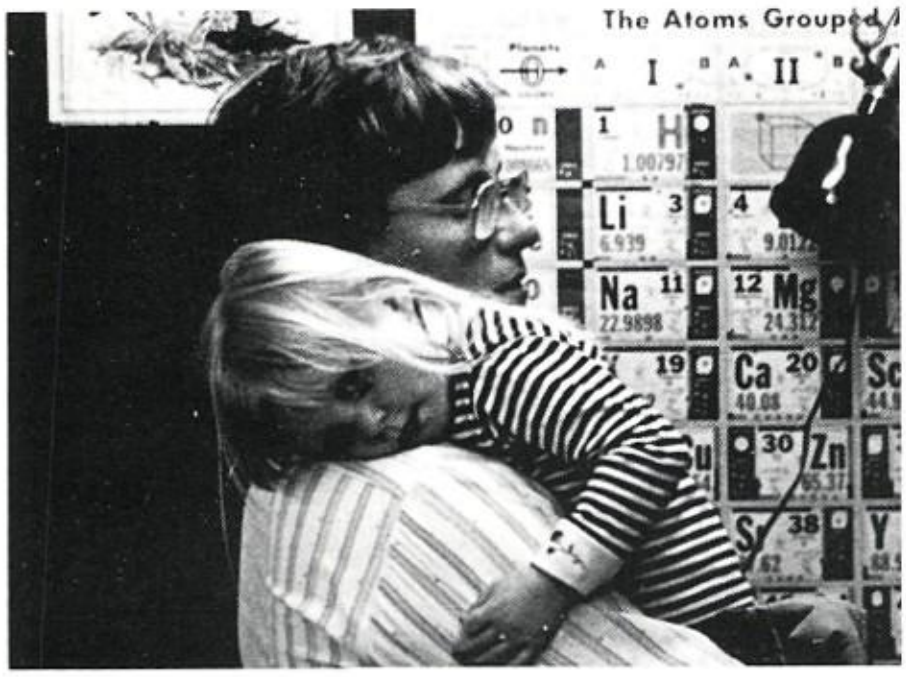
Often in the business of our lives we fail to "take time" for the simple pleasures of life. "Take time" to remember those who have blessed your life this past year as you enjoy this yearbook.

Editor-in-Chief

Teri Barrentine

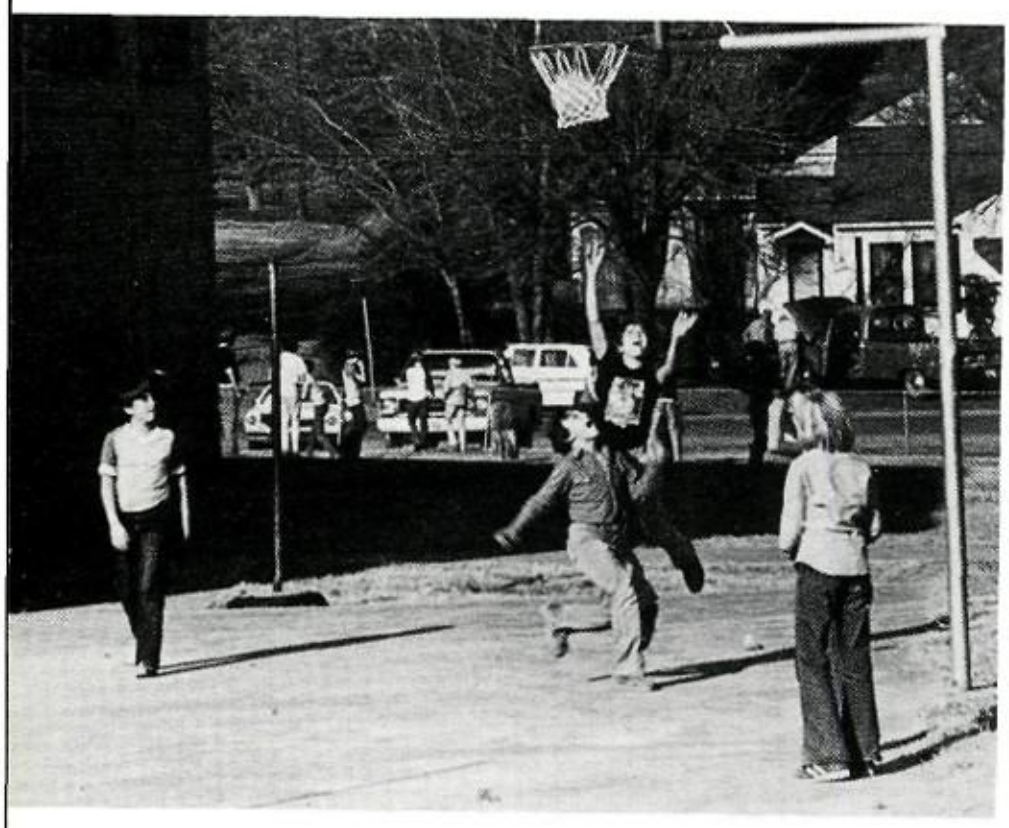
TAKE TIME TO PRAY . . . It is the greatest power on earth.

TAKE TIME TO LOVE AND BE LOVED . . . It is a God-given privilege.



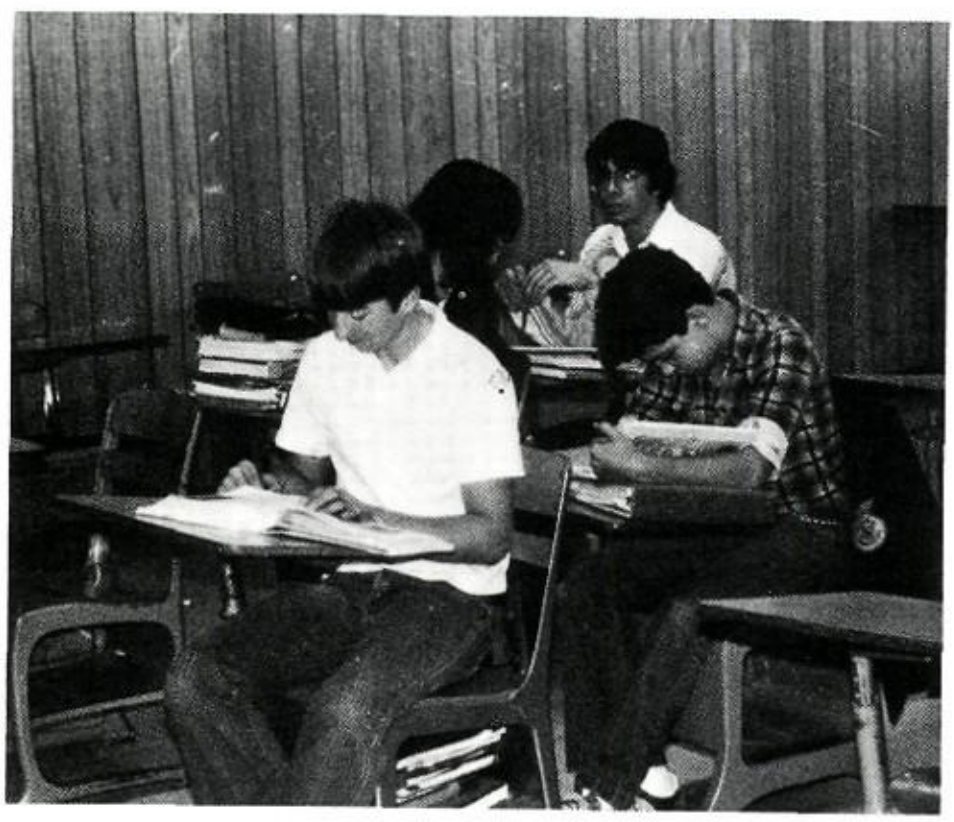
TAKE TIME TO PLAY . . .

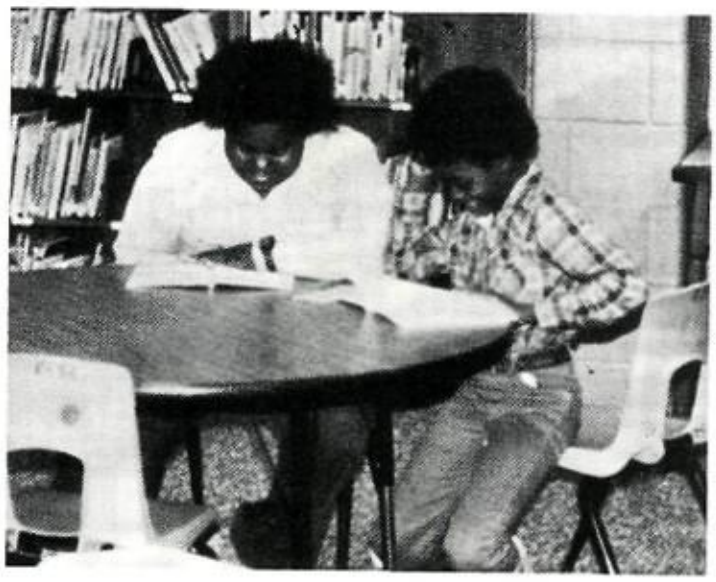
It is the secret of perpetual youth.

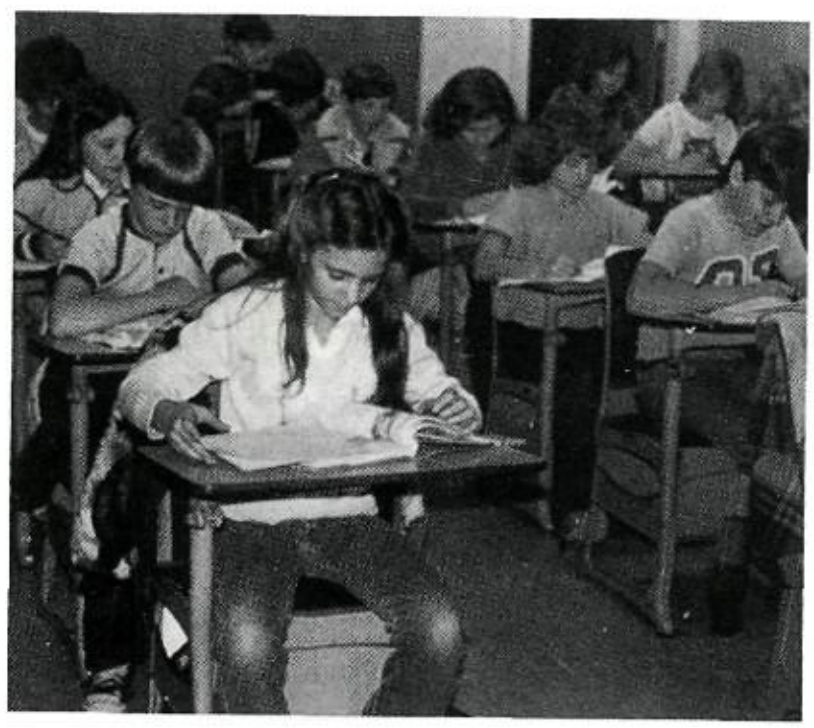


TAKE TIME TO READ . . .

It is the foundation of wisdom.







TAKE TIME TO BE FRIENDLY . . . It is the road to happiness.

TAKE TIME TO LAUGH . . . It is the music of the soul.

TAKE TIME TO GIVE . . .

It is too short a day to be selfish.

UIL Ratings

The Canton High School Band, under the direction of Rex White, traveled to Sherman on Tuesday of this week, where they received a second division in concert and a superior rating of a first division in sight reading. These accomplishments were added to the second division rating that the band received in the UIL marching contest that was held in Mesquite on November 4.

A spokesman for the sixty member band stated that the band has shown much improvement during the past year, but for the 1981-82 year, the band has set their motto as, "The Sky's The Limit".

Valedictorian

Teri Barrentine 94.63

As we recall these past twelve years of our education, it is hard to sum up all the special people and events in a few thoughts. We have each been given the opportunity to acquire certain skills, experience new challenges, and develop long lasting friendships with our fellow classmates. Throughout the years our class has developed a special closeness with one another. We each have many fond memories to look back on, and we realize it is now time to move ahead.

Salutatorian

Nancy Wilson Ross once said:
No one saves us but ourselves;
No one can and no one may;
We ourselves must walk the path,
Teachers merely show the way.

The Canton teachers have put us on the right path, and we thank them for the patience and wisdom they have bestowed upon us. If the teachers had not been around to help us, our "new beginning" would be impossible.

Photography Club

The 1980-81 Photography Club was a great aid to the Annual Staff as well as a unique learning experience for those involved. The members developed a new skill and a pride in their work. The most active memvers, Sarah Adams, Rickey Fields, Dan Cockerham, Melynda Waites, and Jim Erickson, spent many hours in the darkroom and Mr. Mike Jordan, the sponsor, spent hours instructing them. Our thanks go to the club, especially Sarah, for their time and effort as well as the photographs they produced.

Christmas Dance

Rich -n- Chris

On Saturday, December 13, 1980 the Junior class honored the Senior class with our first Christmas Dance. The cafeteria was accented with a snow-covered fence under a canopy of stars, mistletoe, and snow flocked trees. The couples danced to music provided by disc jockey Rich Bryant of FM-97 in Dallas. As the clock struck midnight and the magical night ended, the students went away with fond memories and a happy Christmas spirit.

The pictures here represent only a few of those who enjoyed this special first event.

Thanks to Mrs. Birdwell and Mr. Abbott for going out on a limb for the Juniors and Seniors.

Spring Prom

The theme of this year's Prom was "Looks Like We Made It". The Prom, held in honor of the Seniors of 1981, was Saturday evening, May 2. Entering under a flowered archway and over a white footbridge, the couples saw visions of clouds, balloons, trees, and spring pastel flowers. To complete the Spring theme, a white gazebo covered with a profusion of ferns and Spring flowers accented the center of the cafeteria. Lots of good country and western music was provided by Bo Graham's Band for the couples to dance to. Soft drinks in tiny wine glasses and baskets of pastries were served by sophomore honor students.

As midnight rolled around and the last note of "If" died away, a warm evening of happy memories and a new beginning was sensed because "we made it."

Let's all jam!!!

Story Time!!!

Gossip gossip gossip . . .

Dear President Reagan,
Roses are red,
Violets are blue,
You got hurt,
But we still love you!

Your friend,

"The Drifter"

I'm just a drifter, lonely and sleek,
Looking for someone, someone to meet.
God is the true one, Almighty and sweet,
And through Him, you, you can't be beat.

I'm just a drifter, but then I'm having fun,
But then again I know, I'll return to the Almighty Son.
He is the real one, and who is more perfect, the answer is rare.
And He created the meadow, in which boyfriend and girlfriend could run.
And through His creation Christ victory is won.

I'm just a drifter, singing a song,
Waiting, Waiting for His Arrival, that sometimes seems long.
And even though as a Christian, Many times I am wrong,
God is Forgiving, and in the end, to heaven, I know I'll soon be gone.

I found that person, the one I wanted to meet,
His name is Jesus Christ, and boy is He slick and neat,
And when I get to Heaven, and take my seat
I'll fall prostrate, prostrate at His feet.

For He is the King, King of all Kings,
And I pray that He says, "Rise up son,
You are one, I would like to greet and meet."

Four times to the Principal in the First grade. I cried. Your Dad said not to worry. Sixth grade science, I worried your Dad grounded you. Junior English, you hated it, I worried, your Dad said it was your responsibility – handle it. When the car rolled over on the way back from Quinlan, I said I told you so and Dad worried. You've made it, Sr. 81, our tears now are tears of joy. We love you.

SAVING TIPS
on electric air conditioning

Central Systems

1. Set thermostat on 78°, or higher.
2. Have equipment checked seasonally by qualified serviceman.
3. Check filter every 30 days. Clean or replace when dirty.
4. Keep furniture, draperies away from air outlets and returns. Clean grills often.
5. Close draperies and blinds to keep out sunlight.
6. Keep fireplace damper closed.
7. Proper home insulation keeps heat out, cuts energy use.
8. Weatherstrip doors and windows. Caulk cracks.
9. Keep windows closed. Open outside doors as little as possible.

Window Units
Follow above suggestions, plus these:

10. Buy units with *highest* "energy efficiency ratio" (EER). If EER is not on sales tag, ask for it or figure it yourself. Divide "wattage" into "BTU" capacity.
11. Place unit where it'll get as little direct sun as possible.
12. Aim air outlets at lower half of doorway to next room to allow warm air from that room to enter at the doortop for recooling, recirculation.

You're a cute & great girl who has a great personality, you stay the way you are, and you will go far in life.

Darla,

Well, you finally made it! You survived your "freshman" year. I know it wasn't easy and partly my fault, but now you're tough enough to handle anything! (That's a fact, Jack). You've got to be patient with me, because I still think of you as a big fish. Even though I gave you such a hard time last year + I guess I still do, it's only because I love ya + want the best for you. Don't ever settle for second best because it's not good enough for ya. I'm sure you heard "make the most of it while you can". Well, I'm just [redacted] now starting to really understand all that I was told, and it's really hard to believe that I only have two years left. It only seems like yesterday when I was that stupid little freshman — the years do fly.. Don't ever take any of it for granted because [redacted] your high school yrs are some of the best times of your life. The sad part about it is once you've lost that day or that year it's gone forever and you'll never have it over again, so always give 110% in everything you do so you won't look back with regret because you didn't live each moment to its fullest. Go for all the "gusto" in life, but just remember where the real gusto is. You're a great person and I know you'll take the world by storm if you keep God first. It's not always easy, but remember — the things that mean the most are those we have to work hardest for. You can apply that to everything! Darla, you have the potential to be a great athlete, and I think you have the desire.

Darla,
Since Miller took up the whole section, I'll use the rest. Ha!
You are a very sweet and pretty girl, who I'll always be proud to call as my friend.
I really enjoy playing basketball with you and watching Miller put you in the shakers! Just kidding.
I hope that we'll always be friends in the years to come.
May God Bless you and keep you throughout life.
Always remember:
A winner never quits and
A quitter never wins. Sr. 83

So all you have to do now is bust your butt every day for Coach. You'll be surprized at what a great player as well as a great person you'll become when you listen to him and take what he has for you. There are very few men as great as he is. You can go to him with your problems. He's not only a great coach, but also a good friend. I hope you find out what I'm talking about if you don't already know. Just keep working hard and be patient and things will turn out for you. I'm lookin' forward to two more great yrs. of B.B. Always "KEEP COOK'IN ↑"

Darla, You are one of the sweetest girls I've ever known. You have always been a very good friend. Good luck in basketball. Love Kim #42

Darla ~ Well, what can I say? You and I have had so many good times together. I wouldn't know where to begin in naming them. You've been such a special part of my life and I'll never forget you because we have so many memories together. I could fill up every page of this book with them. Darla, you've got so many outstanding qualities and very high morals that I respect you in every way. You've got the best judgement therefore you always make the right decisions. You've got it together kid! For sure!! I hope our friendship lasts for ever & ever because I realized this summer how much I miss having you around. You add something special to everything I hope we can make for it this year and have a great time the whole year. I'm going to miss having you to cheer with, it's just as hard for me as it is for you, believe me. But you'll be right back in there next year and where will I be?! I wish you the best of luck in everything coming your way. You're a very beautiful girl, inside and out! You deserve the very best! May all your dreams come true. Have fun in Basketball this year. Varsity all the way! May God watch over you and Bless you with his wonderful grace! Thanks for the memories! Love ya

Darla,
You're a super sweet and super cute girl who is one of my best friends. You have a great personality, and I feel that you could handle just about any thing in life with grace. We've always been special friends, and I hope we'll continue and get even closer. Always remember to put God first in your life, and everything else will be so easy. God Bless and keep you always.
I love you!
Jill

Dearest Darling Darla,
It's been fun going to school the past year with such a sweet, good-looking, and all-around good girl. I am really looking forward to the next three years in school with you. I am very glad that you and I are friends, (but I know it's impossible for you to have enemies). I seem to forget the kind things in life when I'm around you. You are an absolute angel and a perfect example of all the good things in life. Whoever marries you will be the luckiest guy in the world to have such a sweet, understanding, patient, caring and lovable wife. If I listed all the good things about you it would fill about 15 or 20 of these books; so I can't do it. But, you know how it is. I know you don't need it, but I want to wish you luck in anything you do through your entire life. What else can I say to the gal who has everything.

Love Forever
